16th Annual Official Sale of Scanned In-lamb Pedigree Suffolk Sheep on Behalf of the West Country Suffolk Sheep Association

An entry of 17 in total, being 15 in-lamb ewes and 2 ewe lambs, met a 100% clearance and a very strong trade. Yet again quality pays and a ring full of bidders ensured prices soared past vendor's expectations. Prices topped at £670 for a 2010 born daughter of Boreland Busted, scanned in lamb with twins to Deveronside Dell Boy, consigned by **Mr R Holmes of Dunchideock**. The majority of the in-lamb ewes were 2010 born and overall averaged £418.00.

Ewe lambs sold to £200 for a Longridge Tyson daughter consigned by **Mr Mike Waycott of Ashburton** which also won the Ewe Lamb class.
