# Foreword

## Barrowlands Flock

The Barrowlands Flock was established in 1994 with the purchase of ewes from long established Irish Flocks. Subsequent purchased of females from dispersal and production sales saw the addition of top quality bloodlines from at home and the UK.

This has led to the flock having great success at shows and sales. In the 2009 National flock competition we were placed Reserve in the Keeble Cup for 61-100 ewes and also Reserve in The Sainsbury Cup for best ewe lambs. Many of those ewe lambs are in this sale as gimmers.

We also had a very successful National Championships 2010 with second and third with ewe lambs and third and fourth in the ram lamb class. We also achieved fifth in the Open Ram Lamb class at Roscrea selling for €1050, in addition to second in the Group of Three.

We are offering in this sale excellent quality ewes, shearlings and ewe lambs. We would like to take this opportunity to thank everyone who supported our previous sales and wish you the best of luck with your purchase.
