EWES

G L Riby

Low Stonehills Farm, Fraisthorpe, Bridlington, East Yorkshire, YO15 3QR
Reg. Flock Code FZL Stonehills

The Stonehills flock of pedigree registered Suffolks was established in 1992 with six females purchased from Stanley and Robin Hulme's Crosemanor flock. Very few females have been added externally since then, with the exception being nine purchased from the Guildendown flock when they dispersed in 2003, which proved a real boost to the flock.

Rams have been used from some of the breeds' best lines. Originally Crosemanor, Perrinpit and Westcarse rams were used with more recent additions such as Conveth No Going Back and Cairness High Flyer also proving to be exceptional breeders.

Rhaeadr Flying High was used extensively, leaving a number of good, long and fleshy sheep with tight coats. Presently, the flock has Beaufort Button – a big, powerful ram – and Kings Parade who is shared with Liz Needham. Parade is producing very stylish, correct sheep. We have supplemented these stock sires with the use of AI, such as Cairness Achievement which has been well worth using.

Numbers have grown to over 100 ewes, and the flock was delighted to win the Brooks Trophy for best Large Flock in 2011. While the sheep are a great pleasure, they are also a lot of hard work, so the decision has been made to reduce the flock size to 30 ewes.

We are retaining 23 of the oldest ewes alongside some of this year's ewe lambs. The females for sale are very genuine and Christopher and I have great pleasure in presenting them to breeders, both new and established, in the confidence that they will go on to do well.

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's Terms and Conditions as recommended by the NBA)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
