Dispersal of the Powers Flock HCP

As the clock keeps ticking and the shoulders get tired. To do justice to this fine flock of Suffolk Ewes I think it's time they found new homes.

Established in 1992 with a small number of Ewes with very good breeding lines going back to Greyhill, Bridgestone and Clyda Flocks.

Stock Rams very carefully Selected.

Annakis Kirk 80705, Glenho Sydney After 8, Cragroe Street of Gold 85335, Bawnogue Ard Ri 86708, Cairness Distinction 88135, Hallhill Subaru 90125, Well's Brave Inca 90124, Bailey's Refuse to Bend 92783,

Mullan Boy Knight Shift Stood 2nd in the Open Roscrea Premier.

All sires above were ARR/ARR with the exception of Glenho Sydney After 8 and Baileys Refuse to Bend.

Moved out of the novice class many years ago at Irish Premier. Never hit the top but never hit the

Mullanboy Knight Shift

bottom. Always selling at good average prices.

Finally Alymer and I would like to thank all the sheep men and women breeders who travelled from far and near to support us in the loss of friend, wife and loving mother Mitch.

The money from the top priced sheep at this dispersal will be donated to a charity of the Purchasers choice. 'I hope John Doyle will waver his fees'.

Many Thanks,
Michael

Health Status

All Shearling Ewes coming into the flock are Vaccinated with Toxivax.

All Ewes on the Heptvac P system, will need booster before lambing.

The entire flock is fully Scrapie Monitored.

We would like to sincerely thank our past and present purchasers and wish them the best of luck with their purchases.
