**RESERVE SUPREME CHAMPION: JHC Campbell**

The Border Suffolk Club is indebted to Mr Tom Robinson of "Natural Stockcare Ltd" who once again most generously supported the Club Show.

Furthermore, we were delighted that Scottish Branch Vice Chairman, William Fleming (Hallhill) took time out of his busy schedule to travel from Lanark to attend the event with son James.

Although support from members was limited due to other commitments, those present produced excellent sheep and enjoyed a good evening. Indeed,

highly respected doyen Breeder and showman, Sandy Fraser, judging, commented that he was most impressed with the calibre of sheep present.

Following completion of judging, the usual very enjoyable social evening was completed by the presentation of a surprise Birthday cake to mark a milestone Birthday for Club Chairman Michael Walton (Jnr) !
