BURNVIEW SUFFOLKS

2016 has been one of our most successful years to date. The Burnview flock dominated the male classes at the majority of the NI Shows against very strong opposition which later proved to be the strongest consignment of ram lambs from Northern Ireland breeders ever to go to Stirling Sale.

At the National Sale we again had a successful day winning the Shearling Ram Class and 2nd Recorded Class, 2nd prize Pen of Three ram lambs.

At Stirling Sale the flock produced the 1st prize Pen of Three, 2nd prize Single and reserve Supreme Champion selling 6 ram lambs to average £4,953 with sales of 11,000gns and 8,000gns for two Murray sons and 5,500gns and 2,000gns for two Attitude sons.

At Ballymena Sale another Attitude son was 2nd prize Single and Reserve Champion selling at 1,400gns with two Murray sons winning 1st and 3rd in the Shearling Ram Class.

Again the flock produced a strong Kelso pen selling to a top of £1,000 for a young mid-March born Murray son.

It was most satisfying to see the success achieved from the Crewelands flock at Stirling winning the 2nd prize Pen of Three and the Novice Class for the third year running with lambs from daughters of ewes previously purchased from Burnview at this ewe sale. Crewelands is also to be congratulated on winning the Northern Ireland Flock Competition. The flock includes many purchases and descendants from Burnview.

To cap a successful season **Birness Murray** was recently awarded the **National Sire of the Year 2016**.

These are the first in-lamb females offered for sale from Birness Murray and are without doubt the most impressive group we have ever offered for sale with many outstanding individuals with proven pedigree catalogued. Due to our extensive ET programme – and our desire to reduce numbers due to TMB – we are offering a number of top gimmers, ewes and ewe lambs that would normally have been retained within the flock.

We would like to thank all our customers for your continued support and wish you well with your purchases.

All in lamb ewes are vaccinated with Enzovax and Toxovax
