AUCTIONEERS FOREWORD

The Auctioneers are delighted to be able to offer this choice flock of Pedigree Suffolk Sheep. The sheep are being sold because of a change in personal circumstances of the vendor. The ewes were purchased with a long term aim of establishing a respected Suffolk flock as a part of a “retirement” project. With this objective, ewes from some of the most well known Suffolk flocks were acquired together with rams to compliment them. Circumstances have changed however, land availability has become more difficult as has infrastructure to deal with the ewes at lambing. All of these factors have resulted in the difficult decision to disperse the flock.

Ewes were originally purchased from the Deveronside Flock Dispersal at Borderway Mart, Carlisle being the property of Stuart G Mair & Sons, Aberdeenshire. The Rugley Flock major reduction, again at Borderway Mart, Carlisle from Messrs EA & L Jackson and Society Sales at Beaston Castle Auction and the National Show and Sale at Shrewsbury Livestock Market, also the Society Sale at Ragland (the Abergavenny Sale) were sources of foundation stock.

Ewes with scope and sound commercial attributes were purchased as well as taking note of breed type and bloodlines. Having inspected the ewes, the Auctioneers believe this sale offers prospective breeders as well as established flocks the opportunity to acquire some first rate females. In addition to the purchased ewes, a selection of ewe lambs are in the sale, together with the 2 stock rams. The remaining ewe lambs and ram lambs will be kept on and farmed, to be sold next year.
