

## South of England show report and pictures 2015

The South of England show was held over the date of the 11th June to 13<sup>th</sup> June for 2015. Competition at the South of England is always high with flocks and herds all striving for those tops places. Classes this year were a little lower in numbers due to the change of date which meant the show clashed with The Three Counties show.

Many congratulations to Miss Diana Lindon with her Wymbleton Suffolk's who triumphed pretty much in every class and went on to take the Breed Championship spot with her homebred Rookery Rooney shearling ram. Miss Lindon's flock also was top Suffolk and reserve champion in the group of three.

The reserve champion slot went to Miss A Smith's and Mr A J King's homebred shearling ewe, by Pexhill Spitfire.
