Dear Members

OPEN DAY & MEETING

I am pleased to inform you that an Open Day has been arranged to view the Llangeview Flock by kind invitation of Mrs Glenys Morgan & Family at Graig Olway Farm, Usk, Monmouthshire, NP15 1NB on **Saturday 1st June from 11am.**

Stock Judging Competitions, Trimming Demonstration, etc, will take place during the Day.

The "Next Gen" Suffolk Breeders are invited to join in with events on the day, and we would encourage them to become involved in the Branch going forward, with any ideas for the Club, breed, etc.

A meeting of the Western Area Branch will take place at approx. 1.30pm.

All Members of the Western Area Branch please come along with ideas to make the Branch work again, and form a Committee to take things forward.

Light refreshments will be provided, and I would therefore appreciate an indication of numbers attending by completing the attached slip.
