A cracking ewe lamb out of the flock's oldest ewe Charlene x Saveock Espresso Martini. Hojo is very well marked with clean colours and so much style. She will definatly make a great show gimmer for 2025 and go on to breed well. Hojo is a full sister to Gunner who sold privately to the Diamond flock in 2023. Gunner's first ewe lamb won 1st prize ewe lamb RUAS 2024.

SUFFOLKS

The Blackstown Flock was established in 2015 with gimmers purchased from Donbraid, Forkins and Lakeview flocks with emphasis on conformation, good skins, carcass and character. Our flock consists of a small number of ewes with the emphasis on quality not quantity.

The past few years we have sold gimmers to 13,000gns, ewe lambs to 5,000gns and this year 1st Prize aged ewe at Balmoral Show with another aged ewe 1st prize at the National Show

The Blackstown Flock is Scrapie Monitored. All Blackstown females have been vaccinated with Enzovax, Toxovax and Heptavac P.

We would like to wish all fellow vendors and purchasers all the joy and the success that we have enjoyed breeding Suffolk sheep.

Enquires and visitors always welcome.

(Incorporating the Auctioneer's
Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.

5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
