

BYE-LAWS OF THE SOCIETY

as consolidated and adopted by the Council on 10th December 2024

RECITAL

In Bye-Laws, Regulations and Orders of the Society, unless the context otherwise requires, references to sheep, rams, ewes, lambs, shearlings, and flocks mean thoroughbred animals of the Suffolk Sheep variety and references to members includes representatives and agents who have authority, whether express or implied, to change or enter into legal relations on behalf of members or flocks, and does so, whether intentionally or not.

1 SUBSCRIPTIONS, FEES AND CHARGES

The subscriptions for membership of the Society and other fees and charges shall be determined from time to time by the Council and shall be published on the Society website, written communication and otherwise as the Council may from time to time determine. Collection of subscriptions, fees and other charges for all new members will be by Direct Debit.

2 V.A.T

Value Added Tax will be payable as applicable on all subscriptions and other charges levied by the Society.

3 BRANCHES AND BRANCH COMMITTEES

3.1 This Bye-Law 3 relates to each area Branch of the Society as defined in the Society's Articles of Association.

3.2 Each Member of the Society must be a member of an area Branch of the Society.

3.3 An area Branch of the Society shall comprise Members of the Society and shall not include any person who is not a Member of the Society.

3.4 The constitution and conduct of business of each Branch Committee of the Society shall be subject to the Articles of Association of the Society and the Bye-Laws and Regulations from time to time made by the Council of the Society in relation to Branch Committees.

3.5 A Resolution passed by Branch Committee shall (where appropriate) take the form of a recommendation from such Committee to the Council.

3.6 The quorum for any meeting of a Branch Committee of the Society shall be not less than three members present at such meeting.

4 MEMBERSHIP

4.1 Membership includes adult members, one or more classes of associate member, youth members, junior members, honorary members, life members and any other class of membership as determined by Council from time to time in each case with such rights and obligations (including payment of membership fees) and the conditions for admission to, and termination of membership of any such class of members. Associate members cannot register sheep for entry into the Society flock book.

4.2 The charges or subscriptions for membership of the Society shall be as determined by the Council from time to time.

4.3 The charges or subscriptions for membership of an area Branch of the Society shall be as determined by the Branch Committee of such Branch from time to time and notified to council by the 30th September.

4.4 Subscriptions will be due on 1st October each year for the year commencing that date and shall be paid to the Society.

4.5 Any person who becomes a Member of the Society during a financial year shall forthwith pay the whole of the membership subscriptions for the Society and the relevant area Branch for such year.

4.6 In the case of any firm or company applying for life membership of the Society, the registration of life membership, if granted, shall be in the name of and for the life of an individual member of that firm or company.

4.7 The payment of a subscription fee will entitle that adult member a vote at Society and Branch meetings. The granting of Honorary membership and life membership entitle that member a vote at Society and Branch

meetings. Only individual members will be eligible for inclusion on the judge's panel, subject to Council approval.

4.8 The charges or subscriptions for membership as defined in 4.1 above, along with any other fees or charges or monies owed to the Society must be paid by monthly direct debit for all new members.

4.9 Members are responsible for the action of their agents or representatives in all matters regarding interaction with the Society, Council or other members.

5 REGISTRATION OF FLOCKS AND SHEEP

5.1 A Member who owes any sum to the Society (whether in respect of their membership subscription or otherwise) shall not be entitled to have their flock or any sheep registered or (as the case may be) re-registered with the Society, be excluded from Society Sales, shows, events and publications unless and until they pay all such monies in full and a direct debit mandate provided to facilitate ongoing monthly collection of charges, subscriptions and other fees, or monies owed. The Society has the right to charge interest on outstanding balances.

5.2 To be eligible for registration:

5.2.1 A ram must be the produce of a registered/approved ewe and a registered ram (or otherwise from a Registered flock) and must be, or have been, birth notified by the breeder Member to the Society, in such form, as the Council may from time to time direct.

5.2.2 A ewe must be the produce of a registered/approved ewe and a registered ram (or otherwise from a Registered flock) and must have been birth notified by the breeder Member, to the Society, in such form as the Council may from time to time direct.

5.3 Any application for registration of a ram or a ewe imported from outside the European Union must be accompanied by a three-generation pedigree issued by the Sheep Society of the country of origin. Any application for registration of a ram or a ewe imported from inside the European Union must be accompanied by a Zootechnical Certificate.

5.4 Any Member who sells or otherwise transfers to another Member any registered sheep shall within 30 days lodge with the Society notification of such sale or transfer in such form as the Council may from time to time direct.

5.5 Any application for the registration of the transfer of a registered ram or a registered ewe, including rams or ewes registered for export Society Sales, shall be accompanied by the relevant registration certificate and such transfer registration charge as the Council may from time to time direct.

5.6 Upon any such transfer being registered, the Society shall issue the transferee with a certificate in his name as the new owner.

5.7 The Society shall at its discretion register or transfer any sheep which is unregistered with the Society. This will be subject to a flock inspection by a society representative. The cost of this inspection will be borne by the applicant.

5.8 NEW FLOCKS

5.8.1 Applications for registration of new flocks must be made in such form as the Council may from time to time direct (available from the Society) and must be accompanied by the relevant registration certificates (females) and ram certificates or proformas (males).

5.8.2 The applicant must have a minimum of two pure bred Suffolk female sheep which are properly identified in accordance with the Society's Bye-Laws.

5.8.3 The application must include all the registered Suffolk Sheep owned by the applicant.

5.8.4 The Society has an unfettered discretion whether or not to register a flock and may register a flock on such terms as the Society in its absolute discretion thinks fit.

5.8.5 In the event of being registered the new flock will be allocated a Registered Flock Number which shall be used to identify lambs born in that flock.

5.8.6 A Registered Flock must continue to have a minimum of two pure bred Suffolk female sheep properly identified in accordance with the Society's Bye-Laws from time to time.

5.8.7 Between 1st October to 30th November in each year, every flock owning Member shall lodge with the Society an Annual Flock Return and pay the annual registration charge in such form and such amount respectively as the Council may from time to time direct. Failure to submit a return on time will incur a late fee.

5.9 RAMS

5.9.1 If a Member shall sell or otherwise transfer to another Member a registered ram, the transferor Member must certify the pedigree and exact pedigree ID on such ram registration proforma as the Council may from time to time direct (available from the Society). The proforma must give the name

and registered number of the sire, the dam's pedigree ID and the name and pedigree ID of the dam's sire. (In the case of sales catalogued by the Society the proforma can be generated from the Society database).

5.9.2 Members must apply to register Rams whilst they are lambs or (at the latest) shearlings. The registration of older rams shall only be permitted in the event of Council approval.

5.9.3 A Member must not sell or otherwise transfer or offer for sale or transfer or sign a Ram pedigree proforma in respect of any sheep which is a rig.

5.9.4 All rams must be named by the owner from time to time by using firstly the registered prefix of the breeder Member and secondly a further name or names. In no circumstances shall any other or additional registered prefix be used. A name shall not be accepted for registration if it has been previously used and in this event another name will be substituted by the Society.

5.9.5 The Registration of a ram will normally occur at the same time as registration of the Member's flock and thereupon Registration Certificates will be issued by the Society giving the Registered Number of the ram.

5.9.6 A ram can only be registered by a member with the consent of the breeder.

5.9.7 The registration of rams that have been excluded from Society sales for incorrect mouths shall not be permitted.

6 BIRTH NOTIFICATIONS

6.1 By 31st May each year, or before sale or transfer (if earlier), a Member shall lodge with the Society birth notification details in such form and pay such charge as the Council may from time to time direct of each lamb born of such Member's Registered Flock since 31st May the previous year.

6.2 Birth notifications for sheep that have been derived from Advanced Breeding Technologies either by Artificial Insemination or Embryo transfer must be accompanied with a copy of the procedure sheets. Failure to supply this documentation will result in birth notifications not being accepted.

6.3 Pedigree information for Society Sale catalogues will be generated using birth notification details. Rams not birth notified cannot be offered for sale. Ewes will not be catalogued unless they are fully registered.

7 REGISTERED PREFIXES

7.1 All flocks must have a prefix and the prefix shall be such as is approved by the Society.

7.2 A prefix shall comprise one word only. Names likely to be misleading, offensive or confused with an existing prefix will not be allowed. A previously registered prefix can be reactivated by the initial member/family at the Society's discretion. A previously registered prefix can only be used by another member at the written permission of the initial member/family at the Society's discretion.

7.3 Where a Member selects their own prefix a charge may be made by the Society; where a Member is either unwilling or unable to select a prefix one shall be imposed by the Society for which there shall be no charge.

8 INSPECTIONS

8.1 Members shall, upon being given not less than two days' notice (except in case of emergency), allow one or more of the Society Inspectors to inspect their Registered Flock and/or one or more of their sheep.

8.2 Inspections may be carried out for any reason and Council is not required to inform the Member of the reason for the inspection. Members must also permit the collection of a blood/DNA sample as required.

8.3 The Inspector shall report the findings of his inspection to the Society who shall take such action following the inspection as it sees fit.

8.4 Inspectors are appointed by Council and must be members of Council or members of the judges panel.

9 EXPORTS/IMPORTS

9.1 Any Member exporting sheep from the United Kingdom (but not from one part to another part of the United Kingdom) may obtain from the Society ram and ewe registration certificates in respect of such sheep.

9.2 The Member shall pay such charge as the Council may from time to time direct for such certificates.

9.3 Any member importing animals of the same breed that are eligible for entry under the Society's breed criteria and have the required pedigree certification from their country of origin, will have them entered into the flock book without discrimination on account of their country of origin.

10 FLOCK IDENTIFICATION

10.1 The Society shall allocate an individual code for each Registered Flock. Up to 1st January 2011 each member had to tattoo or cause to be tattooed this code in the left ear of each sheep prior to the sale or

transfer of such sheep. From 1st January 2011 tattooing has ceased to be a requirement. The Flock Identification code must be printed on one side of either the official electronic and/or visual tags and preferably on both.

11 YEAR LETTER AND INDIVIDUAL NUMBER

11.1 Up to 1st January 2011 each Member had to tattoo or cause to be tattooed each sheep bred in their flock in the right ear with a letter (“the Year Letter”) indicating the year of birth. The Year Letter was decided by the Council and subject to clause 11.3. From 1st January 2011 tattooing has ceased to be a requirement and the Year Letter has been replaced with a Year Number. This number must be printed on one side of either the official electronic and/or visual tags and preferably on both. Members will be advised each autumn of the number to be used in the following year.

11.2 Each lamb must within 24 hours of birth be identified with the pedigree ID as highlighted in 10.1 and 11.1. Please note that notching is no longer compulsory but can be used for management purposes.

11.3 KEY TO YEAR IDENTIFIER (indicating the year of birth) The following Year Letters shall be applied:

1993 L	2000 X	2007 J	2014 14
1994 N	2001 Z	2008 K	2015 15
1995 P	2002 A	2009 L	2016 16
1996 S	2003 C	2010 N	2017 17
1997 T	2004 D	2011 11	2018 18
1998 U	2005 F	2012 12	2019 19
1999 W	2006 H	2013 13	2020 20

11.4 KEY TO INDIVIDUAL NUMBER (indicating the animal number)

Pedigree ID

From 1 October 2013 Suffolk Pedigree Identification changed to use the five digit individual EID number as the pedigree ID.

Example AAA:22:00235 (EID ID UK1 760744:00235) The above information which will appear on the tag indicates this lamb was born in the 2022 lambing season, into Flock AAA and has an Individual number 00235 which matches the individual; EID number.

Notch Details

Notching is no longer required for pedigree identification, but can be used for management purposes.

12 REGULATIONS RELATING TO THE USE OF RAMS EITHER NATURALLY OR BY ARTIFICIAL INSEMINATION (AI) AND TO EMBRYO TRANSFER (ET)

12.1 AI

Whereas it is Council policy that as many different lines as possible should be maintained within the breed and that the quality of the breed be maintained, AI is subject to the conditions contained in the following clauses, which shall be strictly adhered to, observed and performed by each Member:

12.1.1 Members shall not use rams except in accordance with this Bye-Law 12.

12.1.2 A ram must not be used in more than five registered flocks, either naturally or by AI, in his first year. This applies whether the ram is alive or has died but semen is still in store.

12.1.3 After his first year there are no restrictions on the use of a ram.

12.1.4 If a ram is sold or otherwise transferred any unused semen must be delivered to the transferee unless the transferor made full disclosure to the prospective transferee prior to the transaction of any unused semen which is to be retained by himself or any other person.

12.1.5 Semen may not be exported for pedigree purposes unless accompanied by a Society Export Certificate (Zootechnical Certificate) which shall be applied for in the same way as an export certificate for live sheep and which shall be subject to the same charge.

12.1.6 Any Member intending to use semen imported from outside the European Community must ensure that the semen is accompanied by a three-generation pedigree from the Sheep Society of the country of origin. The Society has the right to Cross Check AI records with registration and BN details.

12.2 Embryo Transfer

12.2.1 If a donor ewe is sold or otherwise transferred the transferor Member must have made full disclosure to the potential transferee Member prior to the transaction of any unused embryos which are to be retained by the individual or any other person.

12.2.2 Embryos may not be exported unless accompanied by a Society export certificate for each embryo which shall be applied for in the same way as a certificate for live animals and shall be subject to the same charge.

12.2.3 Any Member intending to import embryos from outside the European Community must obtain prior permission to do so from the Society. The application for permission must be accompanied by a three-generation pedigree from the Sheep Society of the country of origin.

12.3 GENERAL

Any Member shall upon being so required sign an irrevocable authorisation whereby data held by AI companies is made available to the Society for the purposes of validating the accuracy of pedigree and birth notification data given by such Member to the Society.

13 GENERAL MATTERS

13.1 In the case of any in-lamb ewe or lamb bought at foot, the owner of the ewe at the time of birth of the lamb is or is deemed to be the breeder.

13.2 Each Member is personally responsible for the correctness of all entries in the Society's records relating to their sheep.

13.3 The Society is not responsible, will not accept responsibility, for pedigrees or any other particulars on the Society database, in the Flock Book, and in catalogues.

13.4 Whole Flock Transfers. Transfer of flock codes and prefixes may be allowed where a flock is transferred in its entirety to a Member in a single calendar year and the transferor has given consent. An administration fee will be charged at the Society's discretion.

13.5 Part Flock Transfers. Transfer of flock codes and prefixes may be allowed where part of a flock is transferred by a Member to a member of his family and the transferor has given consent.

13.6 A Flock transferred (in whole or part) otherwise than in accordance with this Bye-Law must be registered as a new flock.

13.7 Dispersal Sales. The description of a sale as a dispersal sale means that the registered flock number and prefix of the seller are totally surrendered. Should the seller wish to have a flock at any time following such sale, his application for registration of such flock will be treated as an application to register a new flock.

13.8 The Society may require any sheep in a Registered Flock to be tested and the Registered Flock owner shall at the request of the Society forthwith provide all such sheep to enable such testing to take place. Including but not exclusively DNA sampling.

13.9 Notwithstanding and without prejudice to any of the provisions contained in these Bye-Laws, the Society has an absolute and unfettered discretion to refuse for any reason any application for registration of any ram and/or ewe and/or lamb and/or shearling and/or flock.

13.10 Any application for registration shall be accompanied by such registration fee as the Council may from time to time direct.

13.11 In the case of jointly owned sheep, the first named owner will be responsible for paying the registration charge.

14 ELECTION OF MEMBERS TO THE COUNCIL OF THE SOCIETY

14.1 The number of Branch representatives on Council will be as follows:

- Midlands and Eastern 1 Midlands/Eastern Counties
- Scottish Area 2 North of Scotland, South of Scotland
- Northern Counties 2 Lancashire/Yorkshire/Lincolnshire
- Northumberland/Cumbria/Durham/Isle of Man
- Northern Ireland 2
- South Eastern 1
- Western 3 West Midlands/Monmouthshire,
- Wales excluding Monmouthshire, South West

14.2 Council elections should take place at Branch Annual General Meetings with the successful candidate/s notified to the Society office not less than 28 days prior to the Society AGM. Should a branch be unable to perform an election at their AGM and subject to Council approval nomination forms shall be sent out by the Breed Secretary to all members in each area required to elect a member, who shall within two weeks of the dispatch of the same return the same to the Secretary with the name and address of such person as each member desires to nominate for election as member of the Council for the area concerned and who is resident in the said area and willing to serve if elected.

15 SOCIETY SHOWS

At all shows of pedigree sheep at which a sum of money or special award is offered by the Society, the same shall be given on condition that:

- 15.1** The Judge or Judges are approved by the Council, and the judging shall be based upon the Society's Scale of Points from time to time;
- 15.2** entries are restricted to sheep from Registered Flocks only;
- 15.3** there are not less than three entries in each class;
- 15.4** a marked catalogue or extract has been lodged with the Society for checking purposes;
- 15.5** no artificial colouring of hair on heads/legs, dressing, bleaching or chemical agent (except Department of Environment, Fisheries and Rural Affairs' approved and recognised show dip and colourless oil on the head) shall be used on or applied to sheep entered for such show. The society reserves the right to take random hair samples for testing purposes.

16 SOCIETY SALES – GENERAL MATTERS

16.1 The provisions contained in this Bye-Law 16 and Bye-Law 17 applies to all sales which are held, organised, sponsored or authorised by the Society ("Society Sales").

16.2 Society Sales shall be held, organised, sponsored or authorised as the Council may from time to time determine.

16.3 No Branch or Branch Committee shall advertise a Branch Sale as being a Society Sale which has not been sponsored or authorised by the Council.

16.4 Where a Branch holds or organises a Society Sale on behalf of the Society, the Council shall determine the rules and regulations which apply to such sale, and the Branch Committee shall be responsible for the organisation and conduct of the sale and for ensuring that the said rules and regulations are adhered to, observed and performed.

16.5 Society Sales are confined to sheep which are in the case of males birth notified, or and in the case of females registered with the Society, and are properly earmarked in accordance with these Bye-Laws. Where a Society Sale has export status, males must be registered in advance with the Society to enable the issue of Zootechnical Certificates. With the approval of Council, the Society's National Sales Committee or the Branch Committee (as the case may be) has the discretion to permit entries from individual Pedigree Suffolk breeders from outside the UK where:

- 16.5.1** the sheep are registered with a Zootechnical Society in their geographical area
- 16.5.2** the breeder has formally applied for inclusion in writing to the Society on entry forms provided by the Society
- 16.2.3** permission for entry into the sale as a vendor has been approved by Council
- 16.5.4** an appropriate entrance fee(s) as determined by the Society for entries not included in the Society flock book have been received by the Society
- 16.5.5** all Zootechnical certificates, travel documentation and health status requirements have been completed as required
- 16.5.6** all existing sales rules apply

16.6 Members shall only have a dispersal sale as part of a Society Sale at the discretion of their branch or the sale committee.

16.7 Members shall only have a flock reduction as part of a Society Sale at the discretion of their branch or the sale committee.

16.8 A Member may only sell at a Society Sale:

- 16.8.1** ewes and ewe lambs which have been bred in the Member's own Registered Flock and
- 16.8.2** ram lambs which have been bred in the Member's own Registered Flock and
- 16.8.3** rams (which have been bred in a Registered Flock)

16.9 The Society's National Sale Committee or the Branch Committee (as the case may be) has an absolute and unfettered discretion as to the total number of ram lambs, shearing rams, ewe lambs, and shearing ewes permitted to be included in any Society Sale and the maximum number of ram lambs and/or shearing rams and/or ewe lambs and/or shearing ewes which any Member may consign to the Society Sale.

16.10 The Society's National Sale Committee or the Branch Committee (as the case may be) shall appoint auctioneers for the purpose of the Society sale, and will cause the appointed auctioneers to advertise and invite entries for the Society Sale approximately two months before the sale date. The National Sale Committee or Branch Committee (as the case may be) will consider the list of entries. Consignments of rams may be divided into strings as determined by the National Sale Committee or the Branch Committee (as the case maybe) which will organise ballots as it sees fit for positions in the catalogue.

16.11 The National Sale Committee or the Branch Committee (as the case may be) may cause the auctioneers to produce a catalogue ready for circulation at least 14 days before the sale date.

16.12 The pedigrees of all sheep shall be detailed in the catalogue provided always that:

16.12.1 Substitutions will be allowed where the Member has given to the Society at its head office not less than 3 clear days written notice before the commencement of the Society Sale

16.12.2 Only two substitutes will be allowed per vendor.

16.13 ENTRIES FOR SALE

16.13.1 All sheep entered for a Society Sale must be earmarked in accordance with Bye-Laws 10 and 11, and must be tagged in accordance with statutory requirements in force from time to time.

16.13.2 Any ram being the product of ET must be so identified by the Member and in the sale catalogue.

16.13.3 Before arrival at the sale ground all sheep must be fleece marked in red paint with the correct catalogue number and substitutes must be marked with a red dot after the catalogue number. Alternatively, a suitable yellow label must be attached with the correct catalogue number clearly marked and substitutes must use a red label.

16.13.4 All sheep must arrive at the sale ground at a specified time before inspections are due to commence at a time specified by The National Sale Committee or the Branch Committee (as the case may be).

16.13.5 Unless otherwise notified to the National Sale Committee or the Branch Committee (as the case may be), all shearling ewes must be, and will be sold as, ewes which have not lambed.

16.14 No artificial colouring of hair on heads/legs, dressing, bleaching or chemical agent (except Department of Environment, Fisheries and Rural Affairs' approved and recognised show dip and colourless oil on the head) shall be used on or applied to sheep entered for such show. In the event that any sheep is found by the Inspectors or veterinary surgeons to have been artificially coloured:

16.14.1 The owner shall upon being so required by the stewards forthwith remove such sheep and all other sheep in the same consignment from the Society Sale and the sale ground

16.14.2 The matter shall be referred by the Secretary to the Disputes and Disciplinary Committee pursuant to Articles 45 and 46 of the Society's Articles of Association.

16.15 Each sheep shall be inspected by Inspectors (acting as experts and not arbitrators) and veterinary surgeons (acting as experts and not arbitrators) appointed by the National Sale Committee or the Branch Committee (as the case may be). The Inspectors and the veterinary surgeons shall approve only sheep which they consider likely to produce lambs worthy of the breed. The Inspectors will, without limitation, inspect for clear and correct earmarking, conformation and lack of excessive black wool. The veterinary surgeons will, without limitation, inspect for correct mouths and, in the case of rams, testes. The scrotum must be of a normal size and structure with no more than 25% difference in the size of the testes. Normal size for shearling rams is not less than 35cm circumference and for ram lambs not less than 30cm circumference. Any sheep which is not approved by the Inspectors and/or veterinary surgeons shall not be offered for sale through the ring at that Society sale and shall not be entered at any other Society sale. The decisions of the Inspectors and veterinary surgeons on all such matters are and shall be final and binding, and (in the absence of bad faith) without any responsibility or liability on their part.

16.16 No tampering with or un-naturally adjusting the mouths or teeth of sheep is permitted. In the event that any sheep is suspected by the Inspectors or veterinary surgeons of being tampered with, or un-naturally altered, including, but not limited to, filing teeth:

16.16.1 The owner shall upon being so required by the stewards forthwith remove such sheep and all other sheep in the same consignment from the Society Sale and the sale ground

16.16.2 The matter shall be referred to the relevant Animal Health Authorities

16.16.3 The matter shall be referred by the Secretary to Council for further consideration including the matter being referred to the Disputes and Disciplinary Committee pursuant to Articles 45 and 46 of the Society's Articles of Association.

16.17 Sheep with foot rot shall be promptly removed from the sale ground. Only the remainder of the Member's consignment may be sold at the Society Sale.

16.18 Where any consignment includes one or more sheep suffering from a contagious disease, the whole of the consignment shall be immediately removed from the sale ground.

16.19 Any sheep not approved by the Inspectors or veterinary surgeons at the Society sale shall not be sold through the Sale ring.

16.20 All shearlings must have been bare shorn in the year of the Society Sale.

16.21 All sheep offered for sale must be sold through the auctioneers and shall be sold in guineas. Any charges or costs arising after sheep have been “knocked down” to a buyer (including but not limited to additional haulage, accommodation charges, and veterinary fees) will be borne by the buyer.

16.22 The buyer shall pay the full purchase price to the auctioneers at the Society Sale.

16.23 Where during a Society sale a buyer discovers or believes that the sheep which he has purchased at such sale is physically malformed he shall report the said matter to the auctioneers before the termination of the Society sale. The auctioneers shall arrange for such animal to be examined by a veterinary surgeon and the joint decision of the auctioneer and the veterinary surgeon as to whether such animal is physically malformed and, if so, the remedy shall be final and binding on the buyer and the seller.

16.24 Where any sheep fails to reach the minimum selling price as determined by the National Sale Committee or the Branch Committee (as the case may be), commission shall be payable on the upset price if particular conditions for the Society sale so provide and in accordance therewith.

16.25 Each member is personally responsible for the correctness of all information provided by the member regarding the health or status of any sheep and the Society is not liable for any errors, intentional or otherwise, with regard to information provided by the member regarding the health or status of any sheep.

16.26 Subject to the provisions of this Bye-Law 16 all disputes or differences of any kind which arise at or in relation to the auction, whether between a seller and a buyer or amongst bidders or otherwise shall be referred to the auctioneer and their decision shall be final and binding on all parties.

17 GENERAL DISPUTES

17.1 In the event of a dispute regarding the breeding or trading of pedigree Suffolk Sheep included in the Society flock book or any transactions in relation to the breeding or trading of pedigree Suffolk Sheep included in the Society flock book arising between two or more Members of the Society any one of such Members may refer the dispute to the Society with a request that the matter be referred to Disciplinary Committee failing agreement between or amongst the parties. The decision of the Disciplinary Committee shall be final and binding on all parties to the dispute and Council has the power to ensure that the Disciplinary Committee’s decision is implemented.

17.2 The Society reserves the right to charge all Society costs, including room hire, travel costs, professional and legal fees and charges, and any other incurred expenditure in relation to the dispute to either or both parties in the dispute depending on the recommendation of the Disciplinary Committee.

18 UNACCEPTABLE BEHAVIOUR TOWARDS SOCIETY EMPLOYEES, DIRECTORS AND VOLUNTEERS

The Society will not tolerate unacceptable behaviour towards its employees, Directors and/or volunteers and such behaviour is considered derogatory to the character and reputation of the Society. Any complaint from Society employees, Directors and/or volunteers must be made in writing to the Complaints Committee (Chair, Vice Chair, Secretary) and all such complaints will be referred to the Disputes and Disciplinary Committee.

Unacceptable Behaviour is any incident which may include:

- any act of written or verbal abuse, including those of a discriminatory nature;
- threatening behaviour;
- intimidation;
- serious or persistent harassment;
- an actual or attempted or threatened physical assault;
- damage to property;
- behaviour that causes Society employees, Directors and/or volunteers to feel upset, threatened, frightened or physically at risk and is directed at them because of their work in the Society.

This also applies to incidents that take place outside the workplace, including non-working hours, providing that it can be directly connected to any work carried out on behalf of the Society. Any member, connected or not to the incident, witnessing any act that violates the code should in the first instance report this to the CEO or a member of the Society Council.

Any contravention of the code will be dealt with by the Disciplinary Committee on a case-by-case basis. Sanctions to the privileges of membership of The Society will be imposed depending on the severity in nature of the incident. These may include, but not limited to, being barred from Society sales or having their membership revoked.
